

Kitchen

Code Generator for **METE**  **R**

@_benstr

A chef in a white uniform and tall hat is cooking in a kitchen. A large flame is visible on the stove. The chef is holding a plate and a piece of food. The background shows kitchen equipment and shelves.

Code Generators are
BAD BAD BAD

METE  R

@_benstr

A chef in a white uniform and tall hat is cooking in a kitchen. A large flame is visible on the stove. The chef is holding a plate and a piece of food. The background shows kitchen equipment and shelves.

There are **good** reasons
to use a generator

METE R

@_benstr

Reasons

Learning a framework

Bidding a project

Capture an idea

Standardize project starts
